

A Culinary Adventure

A Cape Cod Weekend Dinner Party- *Part Cooking Class and a Whole Lot of Fun*

The center piece of your **Cape Cod getaway weekend** is the cooking class evening of **Cooking at Kate's**.

Fine California Wines Paired with Excellent Conversation

Interactive Five Course Farm to Table Gourmet Meal

Cape Cod

One of our exclusive area chefs will be leading the cooking class and guiding the menu selection. The focus of the meal will not be determined until the day of the event as he uses only the freshest and finest products available. They'll explain the various courses that you'll be creating together and paint a picture of how the evening's menu will work.

Our chef will invite each guest to participate in preparing one or more of the courses. Whether it's creating pasta from scratch, baking a roast chicken, broiling halibut, making an Italian sauce...whatever is on that night's menu, you and your guests, with the instruction and supervision of a true professional... will prepare a gourmet culinary experience.

And to make the evening fun, a wine host will be pouring wine for you and your guests throughout the evening so that your experience on Cape Cod is easy, entertaining and enjoyable.

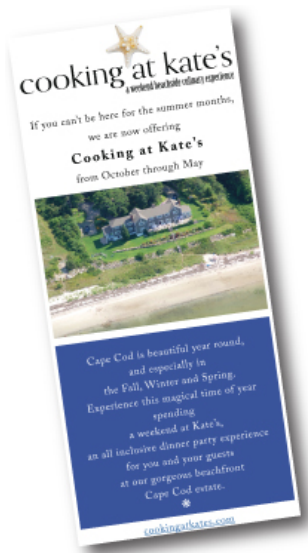

A One of a Kind Experience on Cape Cod
